CALL FOR PAPERS AND AUTHOR'S GUIDELINES

The University of Uyo Journal of Humanities (UUJH) is happy to announce Call for Papers for Volume 26 Numbers 1 & 2, 2022. UNIUYO Journal of Humanities (UUJH) is a publication of the Faculty of Arts, University of Uyo and provides outlet for products of research in the Humanities and related disciplines for the promotion of scholarship. For further details, please, visit the Journal website on www.uujh.org.ng

1. Manuscripts for publication consideration in the UUJH should not be longer than 8000 words – notes and references inclusive, and should also have an Abstract of not more than 200 words. The author should identify five keywords from the paper immediately below the Abstract.
2. An Abstract is a synopsis of the entire paper. It should sell the paper to the reader and indicate what the paper/theme is all about (Introduction), how you went about doing the paper (method), what you found out (results), and the implications /recommendations of your finding. The Abstract should be about 200 words or less, and formatted with Times New Roman (for the font type) and 11 points for the font size. The abstract should be written in single line spacing.
3. The manuscript title, author(s)' name(s) and institutional (University/Department) address and contact details should be identified on the Abstract page only. Please, remember to add your email and phone numbers as part of your contact details. These contact details should not appear in any other part of the paper. This is to help maintain the blind peer review policy of the Journal.
4. Author(s) Surname should be written in Capital letters first and separated by a comma. Other names could then follow. Example: WILLIE, Willie U. (Ph.D.).
5. The body text (font type) of the entire paper should be in Times New Roman, 1.5 lines spacing, and the font size should be 12. Page alignment should be "Justified" while the paragraphing style should be indented with one tab in 0.5inches (Please, no block paragraphing).
6. Authors must conform to the British English spelling.
7. Papers or manuscripts should be sent in Microsoft Word Document and referencing should follow either the current MLA style sheet or the current APA style. The style sheet selected should be used in both in-text referencing and on the Reference page. Furthermore, manuscripts should be rich in

literature and references. Efforts should be made to avoid dated references. Except in unusual circumstances, references and literature citations should NOT be below the year 2000.

8. Tables and figures should be alluded to in the text while allusions to 'notes' should be indicated in superscript in the body text. Explanation of the notes should be presented as endnotes at the end of the article, just before the Reference page.
9. All the contents of any table or figure should be mainly referred to and, in most cases, only the trends emerging from such tables are discussed. Please, avoid table reading. Table reading is an unacceptable way of reading out every item in a table with the pretence one is analysing the table.
10. Author(s) shall be responsible for securing any copyright waivers and permissions as may be needed to allow the use of copyrighted materials in their work.
11. Manuscripts submitted to the UUJH shall be subjected to plagiarism check and only those that meet the acceptable threshold shall be published.
12. Author(s) who submit manuscripts to UUJH will be expected to pay N3500 for Paper Assessment and N15,000 Page Fees, if the paper is accepted for publication. However, as an incentive to encourage quality submissions and international spread of the contributors to the Journal, full professors and foreign contributors will not be expected to pay any Assessment or Page Fees.
